

2023 Betty Lee Sung Research Endowment Fund

Presented by Asian American / Asian Research Institute - CUNY

Extended Deadline: Friday, December 15, 2023

The fund is intended to support the research by providing funds for a research assistant, copywriter, research travel, acquisition or access to research material and similar costs so that the researcher can complete the project.

AAARI's mission supports research and scholarship on policies and issues that are relevant to Asia, Asian America and other Asian diasporas, including timely concerns that pertain to New York's diverse ethnic subgroups of Asian descent. We welcome applications from scholars working on contemporary issues in Asian American Studies, Asian Studies, and other relevant fields.

Submissions are for projects that are near completion within *three to six months* (March 2024/June 2024). The amount awarded will range from \$1,500 to \$3,000. In addition to the award, recipient agrees to the following:

- Acknowledge the Betty Lee Sung Research Endowment Fund and Asian American / Asian Research Institute – City University New York in all versions of the finished work/research/article/book.
- Present their work at an upcoming lecture/conference/workshop at the Asian American / Asian Research Institute in-person/online.
- Allow or obtain permission for the Asian American / Asian Research Institute to feature an excerpt of recipient's work/research/article/book for the Institute's academic journal, CUNY FORUM: Asian American / Asian Studies, with all appropriate copyright/acknowledgement to the recipient.

Proposals should be sent to info@aaari.info, with subject header:
